# FLOOR PLANS

The weights and dimensions are not binding. Trailblazers RV reserve the right to alter specifications without notice. These are a guide only and will change depending on accessories to your fifth wheel. It is advised to discuss this with your Trailblazers RV representative. The load carrying capacity of Trailblazers RV vary from product to product to ensure it is fit for purpose.

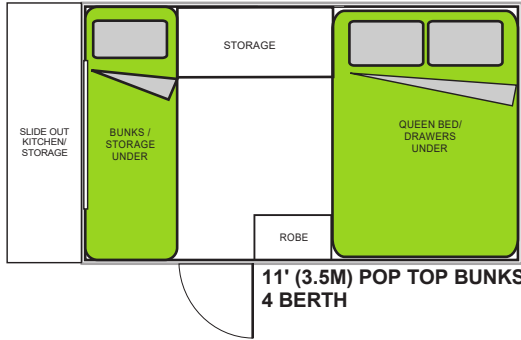

From a simple, no frills tough little GO ANYWHERE Hybrid to a fully optioned OFF ROAD, OFF GRID home away from home.

Trailblazers RV Hybrids are designed as a modular system so you can option your own 3.5M or 5.5M Hybrid camper.

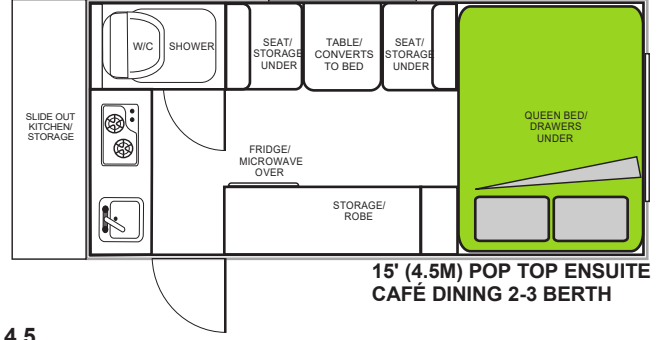

All models feature a pop top roof, LED lights, solar system and our unique **Sliding Front Pod**.

Choose from a range of standard features and options to make it your own.

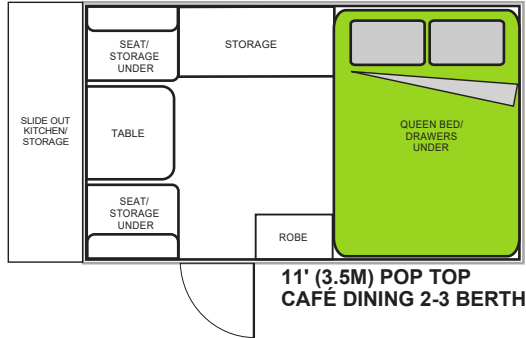

**EYRE 3.5**

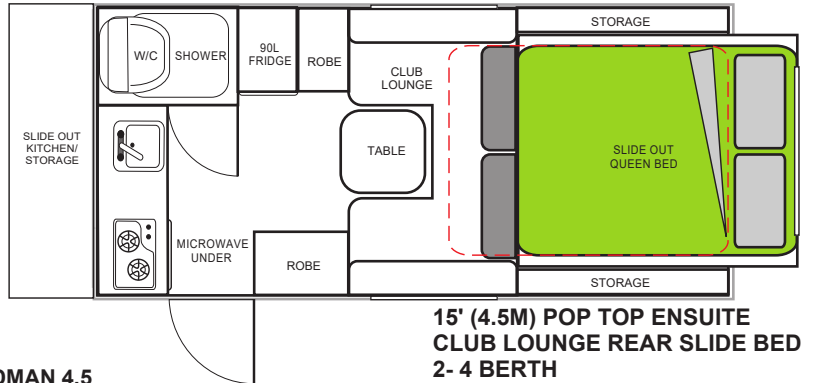

**STUART 4.5**

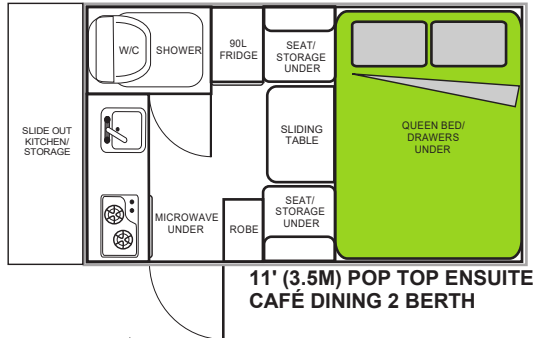

**EYRE 3.5**

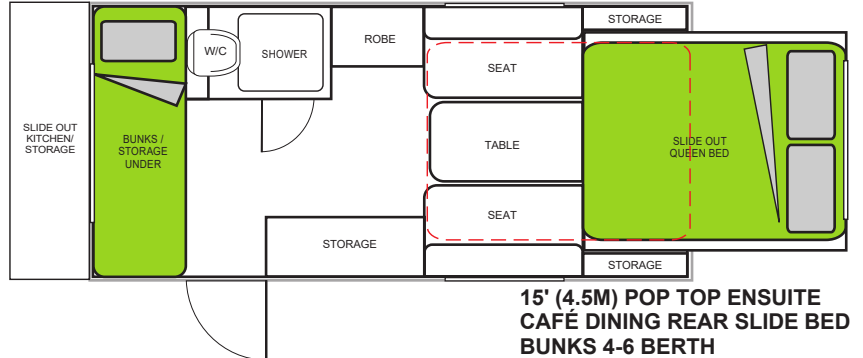

**GUNBARREL 4.5**

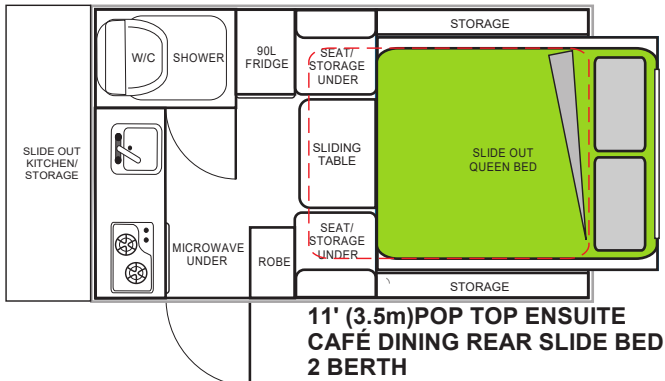

**GUNBARREL 3.5**

**KIDMAN 4.5**

**GUNBARREL 3.5**

## SAMPLE FLOOR PLANS ONLY.

Trailblazers RV are **CUSTOM BUILDERS** and floor plans can be adapted to your needs and your preferences.

Chat to our Design Team for further information.

## PERSONALISE YOUR CAMPER

All Trailblazers Hybrid Campers are built to order, with a wide range of options available.

### DECOR

As well as all the standard features and optional features we

also offer an exciting range of laminates, flooring options, Warwick fabrics and leathers.

Give your hybrid a personal touch by choosing a look to suit your tastes, lifestyle and budget..
