# ALL THE FEATURES AND COMFORT OF A MOTORHOME WITH THE CONVENIENCE OF A SLIDE ON - WHATEVER YOUR NEEDS AND VEHICLE!!

Overland XP Expedition Vehicles by Trailblazers RV are built with all the features of a motorhome and the convenience of a slide on. Our team has created the Explorer range to go anywhere, in comfort and style. With layouts and features to suit couples or families, these pods are built for serious off road adventures, working holidays or long term travellers, they can even be packed into a container for overseas journeys. The best bit is you can arrive at your destination, remove the pod and set up camp and have your vehicle free to launch the boat or explore the countryside.

## WHY AN OVERLAND XP?

At Trailblazers RV we pride ourselves on our innovative designs, attention to detail and quality workmanship. We specialise in custom building and all our units are totally designed and built in our Melbourne factory. With over 15 years of experience, we have gathered a team of skilled and dedicated designers, recreational vehicle builders and tradesmen. We are members of national and state caravan industry associations ensuring compliance with all Australian standards. We offer a 2 year structural warranty on all our units.

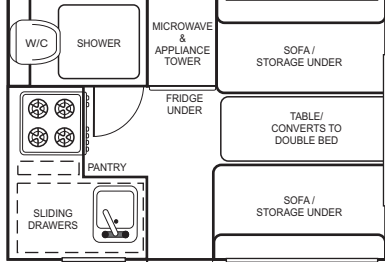

## WHAT CAN I HAVE IN MY OVERLAND XP?

Choose from a range of options - fabric or leather upholstery, laminate colours, appliances, on or off road suspension and exterior appearance. Give your Expedition Vehicle a personal touch by choosing a look to suit your taste, lifestyle and budget.
