L shape kitchen

Queen bed with storage drawers

Trailblazers RV SD125E truck camper may seem formidable in size, but mounted on the Fuso Earthcruiser 4x4 it will fit into the same width space as a Landcruiser or small motorhome.

The camper is designed for vehicles with 3.35M (11Ft) trays and has a 500mm (20") overhang at the rear.

All Trailblazers RV's truck campers are built to order and can be designed to suit any vehicle and tray size.

This camper is designed to be completely self sufficient on and off the vehicle. Many features are standard.

- Electric lift roof
- Electric heavy duty jacks
- Electric awning
- Solar system- 3 x 130W panels
- 3000W Pure Sine Inverter
- Two fresh water tanks -1 x 180L & 1 x 100L
- Grey water tank - 85L
- Stainless BBQ
- Fold down picnic table
- Huge tunnel storage
