

Trailblazers RV Truck Campers are custom built to suit most trucks, with all the features of a motorhome and the convenience of a slide on. Our design team work with you to create a camper to take you wherever you want to go, in comfort and style. Our range includes layouts and features to suit couples or families, working holidays, long term travellers and professional use. Campers can be deigned and built for your specific needs- from serious off road travel, to packing your unit into a container for overseas journeys.
